Dear Parents and Carers

Following the success of England's Red Roses team this year we are working with the RFU to encourage more girls to take up rugby. Eastleigh RFU run a large junior rugby club which provides sessions for children from Year R up to age 18, with many going on to play in our senior teams. We also have a successful girls team and ladies team at the club.

We would like to invite all Year R to Year 6 age girls to come along to our free event on Saturday 13th June for a fun taster session to give rugby a try. No equipment needed, just register your interest using the form below and come along on the day. You will need to wear shorts, t- shirts and trainers. The hub will be open for refreshments throughout the morning.

All our coaches are RFU trained and have Enhanced DBS checks carried out.

To register for the event so that we have an idea of numbers, please use the link below:
