5th January 2022

Dear Parents and Carers

Today we have received the official final Ofsted Report for Mansbridge Primary School - relating to the inspection that took place on the 9th and 10th November 2022.

We are delighted that so many positives have been highlighted especially the relationships we have developed with our families and the inclusive nature of the school as well as the redesigning of the curriculum.

The inspection was a rigorous and challenging few days. We had two inspectors and were audited by a third HMI (His Majesty the King's Inspector).

It was clear that the inspection team recognised not only the vast improvements that have been made recently within the school, but also the superb outcomes, opportunities and academic progress the children are making within the school. We really are proud of our school.

The report is attached to this email and already on our school website and will be published within 5 working days on the official Ofsted website.

I would like to thank the amazing staff that we have at Mansbridge Primary School. They give their best every day to ensure that pupils receive the very best care, support, opportunities and experiences - as well as education!

We are certainly working hard to ensure that our values drive our decisions and that the children are at the heart of every decision we make as we strive to make further improvements to the school.

We thank you for your continued support and look forward to working in partnership with all our parents in the future.

Yours sincerely,

Mrs C Brosnan
Headteacher
