Before and After school club - code of conduct

Whilst participating in any activity being run by Mansbridge Primary School your child will be expected to understand and follow the code of conduct as set out below.

Golden rules

We will be gentle, kind, helpful and honest

We will not hurt anyone or their feelings or cover up the truth

Your child will be expected to behave in an appropriate manner from the time they are collected from the classroom until they are collected or allowed to walk home or from when they are dropped off at school if attending a before school club.

The following procedures will be operated by school club staff to ensure the activity runs smoothly.

Any child who disrupts the class will:

A. Be given a verbal warning

If this is not heeded:

B. Be asked to sit out for 5 minutes

If they continue to misbehave

C. Be asked to sit out for the rest of the session

Should any or all of the above happen in one session, the parent /carer will be advised. The child will be allowed back to the following session, but should there be a repeat of the above, they will be asked to leave that activity/club.

Please discuss this with your child and return the completed form to the office.
